RESIDENT OF THE MONTH

Judith Edwards has called The Voyage of Anna her home for over two years. Previously, she worked as a telephone operator for Verizon. An avid traveler, Judith used to take annual trips with her sister before her sister's passing. On September 11th, she found herself in Washington, D.C., where she witnessed smoke rising from the Pentagon. While on a tram, she was instructed to disembark and was able to find refuge in a restaurant, where she watched the events unfold on the news.

Family holds great significance for Judith. She is the proud mother of three, grandmother of four, and great-grandmother of seven. We extend our heartfelt gratitude to Judith for choosing The Voyage as her home.

RESIDENT OF THE MONTH

Margaret Louise Dwyer has resided at The Voyage for two and a half years. She enjoys playing the piano, taking walks amidst the scenic surroundings, and visiting with her friends. Margaret's grandfather served as a U.S. Marshal and was tragically shot in the line of duty. Years later, after the perpetrator was released from prison, both she and her mother unexpectedly offered him a ride. Margaret attributes her strength during life's challenges to her faith, stating that she dedicated her life to the Lord. Professionally, she worked as a bookkeeper for a family farm and for Pepsi Cola. Additionally, Margaret cherished her decade-long role as the leader of the Happy Hornets 4-H Club. Thank you, Margaret, for choosing to call The Voyage your home.

Bertha and her husband shared 54 wonderful years of marriage. Professionally, Bertha worked in a jacket factory and as a school teacher. She expresses great appreciation for her time at The Voyage, citing the opportunity to meet new people, the convenience of the location, and the exceptional support from our staff. We are truly delighted to have Bertha as a member of our community.
