RESIDENT OF THE MONTH

Phyllis Slunaker has called The Voyage her home for more than two years. She enjoys crafting, completing jigsaw puzzles, and exploring genealogy. Phyllis has vivid memories of when bubble gum was invented, when humans landed on the moon, and when bike tire tubes came into existence. A true world traveler, she has visited Argentina, Switzerland, Canada, Mexico, and Spain. Phyllis worked as both a Nurse's Aide and a dietary aide, and she dedicated over 25 years of her time volunteering at the hospital. While raising five children, she also managed to keep her home running smoothly. The Voyage takes great pride in having Phyllis as part of our community.

Resident of the Month

Juli Rushing has been rocking The Voyage for over 4 fabulous years, filling the air with piano melodies and puzzling over challenges! She still feels the jolt of the JFK assassination like it was yesterday. This piano-playing puzzle queen used to zoom around on a motorcycle! Once upon a time, she was a court reporter, and let me tell you, she beams with pride when talking about her kids. Thanks a million, Juli, for making The Voyage your happy place!
